GUIDELINES TO THE PARENTS / GUARDIANS

An overall performance of the child and his / her overall personality and safety depends equally on school environment and environment at home. So in order to do the best for your ward, parents / guardians are also expected to follow the guidelines so that we together can convert your child into a very good citizen.

PUNCTUALITY:

1. Parents must encourage their wards to attend all the tests / exams and avoid missing the school.
2. All the students are expected to join the school on the notified date of the beginning of the terms or after each vacation.
3. Parents must attend the PTI's on regular basis in order to know the progress of their ward. This is compulsory.
4. Please make sure that your ward reaches the school well in time, any delay can develop an embarrassing situation for all.
5. Parents should strictly avoid taking their children away from school during school hours for domestic reasons.

RESPONSIBILITY

1. Parents must communicate with their teachers and enquire about the child's progress not only in academics, sports and co-curricular activities but also in character building / development, discipline and social issues.
2. Parents must go through the child's progress card and discuss the same with the child, Class Teacher and Subject Teacher.
3. Children should do their home work by themselves unless they require some guidance.
4. Parents are requested not to send their wards to the school if they are ill or suffering from any contagious disease and send your ward only after the period of infection is over.
5. Parents must ensure that their child does not bring any valuable articles e.g. expensive watches, cameras and jewellery to school. In case of loss of a valuable, the school will try its best to trace the item but will not be responsible for the loss.
6. Please mark all the belongings of your ward with the name, admission number, class and section.
7. Encourage your ward to cultivate neatness.
8. Parents are requested to send their ward in perfectly fit uniform that appears decent.
9. Parents / Guardians are expected to wear a standardized dress code while visiting the school. Night wears, lungies etc. will not be permitted.
10. Parents are expected to pay their fees on time to enable smooth functioning of the school.

SAFETY OF YOUR CHILD:

1. Children will not be allowed to go home during the school hours. You are requested not to make any social engagements or medical appointments during school hours.

4. Parents are requested to personally see off and receive their wards at the bus stop (especially class Pre-Primary to Fifth).
5. Please do not enter school buses to see off or receive your wards.

7. Please do not get into an argument with the helper or driver present in the bus. In case of any problem, please give a written complaint to the school office.

COMMUNICATIONS:

Tips To Make Your Ward a Disciplined Child

1. Please check your ward at home for the use of "foul language" and destructive activities. In case of any such habit / complain, a good communication between class teacher & parent can help the student improve in this regard.
2. Please avoid criticizing the school or teacher in the presence of your child. This can result in the student losing respect for their teachers.
